FREE BOOKS

FREE TOYS

If you are a parent of a sixteen (16) months to four (4) year old child and live in Clinton/Lancaster, you may be eligible for a special early literacy and language program that will help prepare your child for later school success.

The ParentChild+ Program will send an Early Learning Specialist (ELS) to your home twice a week. Each visit will last 30 minutes. On the first visit, the ELS will bring a free toy or book to share with you and your child. The second visit will be a book or toy "review time" visit with you and your child. Your child will keep the free educational toys and books, and the Early Learning Specialist will show you fun ways to help your child learn through play and reading together.

This is a FREE program!
