125 CRESCENT STREET
WEST BOYLSTON, MASSACHUSETTS 01583

Dear Parent/Guardian,

We are excited to update you with the news that Massachusetts students will receive FREE school meals in School Year 2023-2024 and in all future years! Massachusetts became the 8th state to make School Meals for All permanent. The universal free school meals program offers one breakfast and lunch at no charge to all students regardless of income.

For students who choose to bring their own breakfast or lunch from home, milk is available for purchase for \$0.60. Milk only is an A La Carte item and is not included under the universal free school meals program.

Please note that even though meals will be free for all, it is very important for families to still complete the household Application for Free and Reduced Price Meals for the 2023-2024 school year.

You can view and complete the application here: [SY2023-2024 Free & Reduced Lunch Application](#)

We strongly encourage all families to submit the application as it allows us to serve families most effectively and helps getting more money for other school programs. The information you provide is confidential. We follow strict federal rules to keep your information private.

Parents/guardians can create an account to add funds to their child's lunch account for A La Carte purchases. Create your account today at <https://www.myschoolaccount.com/> to make payments and monitor your child's meal account. *TO SIGN UP* you will need your child's student ID# which you can locate in the [community portal](#). Once logged in you can find you child's student ID# by clicking the individual link for each child.

If you are interested, please consider applying for SNAP, the federal nutrition program that provides eligible residents with monthly financial assistance to purchase groceries. More SNAP information can be found at gettingsnap.org or by calling Project Bread's FoodSource Hotline at 1-800-645-8333.

Please reach out with any questions or concerns that you may have.

Best,

Danielle Erickson, Director of Nutrition Services

*Anyone under 18 must have a parent or legal guardian jointly on the account. The account is opened in the child's name, as well as the parent/guardian's name and both signatures are required to complete a withdrawal. In the month the student turns 19, the account will automatically convert to a Get Real Statement Savings Account. This will be a joint account requiring one (1) signature for withdrawals and will be subject to the fees and requirements applicable to the Get Real Statement Savings Account.

Major Edwards Elementary WBPTA

Why Join the PTA?

- Support educational opportunities for every student
- Connect with other parents
- Contribute to the programming and educational offerings
- Keep up-to-date of the happenings at school

PTA Supported Activities/Programming

- Field Trips
- Enrichment programs
- Family events
- Teacher and Classroom supplies
