A Parent's Guide to Standards-Based Report Cards

Definitions of Performance Levels

The **ACADEMIC** and **SPECIAL SUBJECT** performance levels are as follows:

4	3	2	1
Exceeds Expectations	Meets Expectations	Progressing Towards Expectations	Minimal Progress Towards Expectations
- Student demonstrates an understanding above and beyond what is expected	- Student has mastered an understanding of the knowledge and skills expected	- Student is adequately progressing toward mastery of the knowledge and skills expected	- Student has not yet demonstrated an understanding of the knowledge and skills expected

A few important things to remember:

- **Learners are scored on their progress made toward mastery of expectations set for each marking period.**
- *A "4 – Exceeding Standards" is not equivalent to an "A". A traditional letter grade cannot be compared to performance levels.*
- *Marks of "3" and a "2" both indicate that a student is working within the expectations of his/her grade level. The difference is the level of independence and support a student needs to demonstrate mastery. The expectation is that most students will achieve a "3" by the end of the year for each grade level standard.*
- *If a student is working below a grade level marking period expectation, she/he would receive a "1 - Minimal Progress Towards Standard" on the report card. The student may need additional instruction in prerequisite skills in order to eventually meet the grade level expectation.*

The **SUCCESSFUL LEARNER** performance levels are as follows:

4	3	2	1
Exceeds Expectations	Meets Expectations	Reminders Needed	Needs Improvement
- Student exceeds expectations	- Student meets expectations	- Student needs reminders in order to meet expectations	- Student needs improvement in this area

of Halloween candy to the Veteran's, Inc.
Shelter in Worcester!

The background of the flyer is decorated with various autumn-themed illustrations. At the top left, there are large, vibrant orange and red oak leaves. To their right are smaller, yellow-green leaves. Further right are two acorns with textured caps. On the far right, there is a cluster of bright orange berries. On the left side, there are purple berries and a cluster of red berries. On the right side, there is a single large orange maple leaf and a cluster of orange mushrooms. At the bottom, there are more yellow-green leaves, a large orange maple leaf, and a cluster of purple berries.

The Major Edwards fifth grade students have a goal to collect 300 pairs of new or gently used shoes!

In countries like Haiti and Honduras, your gently used shoes can provide a means to get food, shelter, and education for families.

To see how your shoes make an impact, visit:
