

REHEARSAL

12/15/23

Your student is invited to bring in a stuffed animal to rehearsal on Friday the 15th.

This is NOT mandatory and your student may choose not to bring in a stuffed animal if they so choose. Labels will be provided to all classrooms however if your student could label their stuffed animal prior to school it would be greatly appreciated.

We will be rehearsing our winter concert during your students special block. The students will bring their stuffed friends to rehearsals. We will place the stuffed animals down to create a pretend “audience” for the students to practice performing to. At the end of their special block students will bring their stuffed animals back to their classrooms.

The purpose of this is to create a fun way to personalize rehearsals for the students as well as help ease any performance anxiety students may have about show day.

The Major Edwards fifth grade students have a goal to collect 300 pairs of new or gently used shoes!

In countries like Haiti and Honduras, your gently used shoes can provide a means to get food, shelter, and education for families.

To see how your shoes make an impact, visit:
