2024 END OF YEAR EVENT ANNUAL BASKET RAFFLE

We are excited to announce this year's basket raffle themes!

Every year the PTA hosts the Year End Event. It is a celebration of the conclusion of a successful school year. It is an evening for students, staff and families to come together and have lots of fun. We will have bounce houses, slides, games, and many other activities!

We will have a huge raffle table set up and included in the raffle are the amazing classroom baskets! The proceeds from each year's raffle goes to funding the following year's event.

We appreciate your help donating items for your child's classroom theme.

Your room parent will be reaching out to you soon. They will keep track of all donations being made. Boxes for donations are outside the classrooms. Please contact Amanda at alb122188@aol.com if you have any questions about raffle basket donations.
