Making the Transition to Kindergarten - Class of 2034!

The West Boylston Coordinated Family and Community Engagement Grant (WBCFCE) in collaboration with Major Edwards Elementary School proudly presents a monthly virtual Kindergarten Readiness series for you and your child as you both prepare for the transition to Kindergarten.

In this zoom series, our purpose is to help you learn and explore ways to prepare your child for their transition to Kindergarten and to give your child the opportunity to connect socially with their future school peers. Please note that this program is funded by a grant from the Department of Early Education and Care. Our first session is for the parents/guardians of our incoming Kindergarteners – sessions going forward will be for both parent and child.

We hope you will join us by [registering here](#).
