9. Subcommittee Reports

- Negotiations Subcommittee – Ms. Breen shared with the School Committee members that the Negotiations Subcommittee was able to have successful conversations with both the Teachers union and the Paraprofessional union.
- Superintendent Search Committee – Mr. Pedone explained how the Superintendent Search Committee worked to include the timelines and processes used. He explained in the start there were 22 applicants and the committee was able to identify 7 candidates to move forward in the first round. In the second round they were then able to narrow the candidates down to 3. Once they were at that round this is when the candidates came into the schools and did a site tour and met with staff and students. During this time there was an opportunity for the community to complete the WBPS 2025 Superintendent Search Committee Survey along with a Community Listening Session. Up until the very end there were two strong candidates in the running and one of the candidates was offered a position in another district prior to the interview session tonight and they withdrew. Tonight we are interviewing a very strong candidate
